

ALTAR SERVER TRAINING

WHEN? Saturday, November 18 - 10am - 12pm

WHERE? IC Upper Church

WHO? Students 4th grade and up

WHAT? The IC parish offers young Catholics an opportunity to grow in their faith and become more active in the Mass by serving as Altar Servers. Altar Servers are young liturgical ministers who have answered God's call to service. They assist the priest and deacon during Mass with several tasks. Servers should have already received their first holy communion, and should be mature enough to understand their responsibilities and to carry them out well and with appropriate reverence.

WHY? Well, here are 7 great reasons to become an altar server:

1. You will learn why we do what we do at Mass
2. You will become fully involved in Mass & get more out of it
3. You will learn some great life skills and learn responsibility
4. You will become more involved in the community
5. You will be able to discern your vocation better
6. You will learn a greater appreciation for the priesthood
7. You will make great friends
