-Isaiah 56:7

Dear Parishioners,

In January of this year we began the long needed renovation of the lower church. The greatest goal of this project was to create a new chapel in which we can gather for both communal worship and private devotion within the context of the Immaculate Conception Parish.

Funding, in large part, came from the recent reconfiguration of parishes within the Archdiocese of Boston. Parishes which grew as a result of the reconfiguration, as well as all of the parishes of the Archdiocese, were encouraged to use furnishings, artwork and other items from closed churches to enhance the beauty of their own churches. More importantly, using these items at the receiving parishes would help new parishioners to feel welcome as they recognized familiar and meaningful objects in their new churches. This we have endeavored to do where possible. Thus, you will recognize the stained glass windows from St. Mary's and the altar furniture from St. Ann's. They are beautiful additions to Immaculate Conception and a fine testament to the wonderful and lively faith of all those who called St. Mary's and St. Ann's home.

To utilize these items required much labor and expense as they needed to be removed, transported, cleaned and stored for the duration of the renovation. In addition, each of the stained glass windows had to be re-fired, re-leaded and sized to fit the casements of the chapel windows and the new windows on the elevator shaft and rear wall of the church. New pews and a new organ had to be purchased for the chapel and the Stations of the Cross required extensive repair. I mention this because many of you have asked if there would be any opportunities for gifts to enhance the new worship space and whether or not you would be able to memorialize a loved one by donating to the project. To that end, I invite you to consider the opportunities listed in this brochure.

As a means of creating your family's legacy at Immaculate Conception a limited number of pews of various sizes will be available for naming opportunities. Donating a pew will give you and yours a permanent place in the Immaculate Conception community. We will place a plaque on the pew with the recognition of your choice: your name, your family name or the name of a loved one, living or deceased. This is also true for the donation of a stained glass window, the repairs to the Stations of the Cross, or for an offering to offset the costs associated with the new organ, sound system or transfer of the altar furniture to the Immaculate Conception Parish. You may also donate without designating a specific item.

The newly renovated chapel will be a beautiful and worthy place where we can honor God for all the good things He has done for us. I look forward to praying with you and for you as together we journey with the Lord.

Sincerely in Christ,
Reverend Michael W. MacEwen, Pastor
